The Art of Widening Our Capacity to Believe:

In Life, in Love, in Ourselves and in Each Other

Sunday, February 6th – 12:30 to 3:30 pm ~ Cost: \$30

Presented by Rev. Barbara Leger

“...much, much more possible than we ordinarily think”

This practical workshop gives inspiration, information and hands on application of principles and spiritual techniques to focus you where you want your life to be.

Based on the principles found in the book, ***The Art of Possibility*** by Rosamund and Benjamin Zander. Using the practices of sensing a greater possibility, taking responsibility and choosing our way into a new experience and reality of life. Keeping our minds aligned with the Life principle shifts us from settling for crumbs and guides us to the art of expanding our possibilities.

Included are exercises to jump start our new life experience..
Please join us for a powerful exploration of your greater possibilities; it is never too late to call in and embrace your good.
