

EXPANDING POSSIBILITIES: The art of widening our capacity to believe – in Life, in Love, in ourselves and in each other.

“much, much more is possible than we ordinarily think”
The Zanders, authors of ‘The Art of Possibility’

Sunday April 10th – 12 to 3 p.m.~~Cost: \$30

Based on spiritual principles and techniques found in the book, ‘The Art of Possibility’ by Rosamund and Benjamin Zander, this practical workshop gives inspiration, information and hands on practice to stretch beyond the currently known opportunities to a ‘universe of possibility’.

Keeping our minds aligned with the infinite source of all, we will use the practices of sensing a greater possibility, stretching our usual way of seeing and feel our way into a new experience and expanded reality of Life’s good.. The interactive seminar included exercises to jump start our new life experience and gain clarity about our choices and to HAVE FUN.

Please join us for a powerful exploration of your greater possibilities; it is never too late to embrace your greater good.
