

## TEMENOS: CENTER FOR SELF-REALIZATION

**WE SEND YOU OUR WISHES AND KNOWING WE ARE ALL BLESSED  
There is a multitude of ways to support**

We invite you to review the list & see how you can be more actively involved. I promise you, whatever you do or give, you will be richly rewarded by the love and appreciation of our growing community and by the amazing good that comes from your generosity.

### With this mailing, I envision:

- 1) all who value our work becoming Honorary Members
- 2) our consistent 'gracious givers' (Ukrainian for 'tithers') become investors / stakeholders
- 3) our occasional givers become 'gracious givers'
- 4) AND I see \$100,000 coming in as special gift(s) to start the new TEMENOS Endowment.
- 5) Endowment & Charitable Giving Program is being launched: We are in the process of researching the methods of how to best structure these programs and expect to have system in place to receive cash, appreciated assets (stocks, bonds, mutual funds, real property), life insurance, charitable annuities, trusts, and bequests of cash, appreciated assets or retirement assets (IRAs) in donors wills.

Together we are building a foundation for self-sufficiency in Ukraine. I thank you in advance for your prayers, and sharing of your time, treasure and talent. *If there is an estimated price I have marked it.*

**Through you, Spirit supports us all.**

With deep gratitude,

Rev. Barbara
